

§ 800.117

the agency or field office responsible for the area in which the service will be provided. Requests for submitted sample inspections may be made with any agency, or any field office that provides original inspection service. Requests for inspection or Class X weighing of grain during loading, unloading, or handling must be received in advance of loading so official personnel can be present. All requests will be considered filed when official personnel receive the request. A record shall be maintained for all requests. All requests for service that is to be performed outside normal business hours must be received by 2 p.m. the preceding day.

§ 800.117 Who shall perform original services.

(a) *General.* Original services shall be performed by the agency or field office assigned under the area in which the service will be provided, except as provided in paragraph (b) of this section.

(b) *Exceptions for official agencies to provide service—(1) Timely service.* If the assigned official agency cannot provide service within 6 hours of a request, the service may be provided by another official agency upon approval from the Service.

(2) *Nonuse of service.* If the assigned official agency has not provided official services to an applicant for 90 consecutive days, due to reasons other than seasonal ice making waterways unnavigable, service may be provided by another official agency upon approval from the Service.

(3) *Barge probe service.* Any official agency may provide probe sampling and inspection service for barge-lots of grain with no restrictions due to geographical locations.

(c) *Interim service at other than export port locations.* If the assigned official agency is not available on a regular basis to provide original services, and no official agency within a reasonable proximity is willing to provide such services on an interim basis, the services shall be provided by authorized employees of the Secretary, or other persons licensed by the Secretary,

§ 800.118 Certification.

Official certificates shall be issued according to § 800.160. Upon request, a combination inspection and Class X weighing certificate may be issued when both services are performed in a reasonably continuous operation at the same location by the same agency or field office. An official certificate shall not be issued unless the information as required by § 800.46 has been submitted, or official personnel determine that sufficient information has been made available so as to perform the requested service. A record that sufficient information was made available must be included in the record of the official service.

OFFICIAL REINSPECTION SERVICES AND REVIEW OF WEIGHING SERVICES

§ 800.125 Who may request reinspection services or review of weighing services.

(a) *General.* Any interested person may request a reinspection or review of weighing service, except as provided for in § 800.86(c)(5). Only one reinspection service or review of weighing service may be performed on any original service. When more than one interested person requests a reinspection or review of weighing service, the first person to file is the applicant of record.

(b) *Kind and scope of request.* A reinspection or review of weighing service is limited to the kind and scope of the original service. If the request specifies a different kind or scope, the request shall be dismissed but may be resubmitted as a request for original services: Provided, however, that an applicant for service may request a reinspection of a specific factor(s), official grade and factors, or official criteria. In addition, reinspections for grade may include a review of any pertinent
